Dear Ronnie,

On behalf of Easter Seals Hawaii (ESH), I would like to acknowledge and thank you and Tiki's Grill & Bar for your generous donation of **One (1) Gift Card** valued at **\$50.00** in addition to your **\$300.00** contribution as a **Restaurant Ambassador** for our Traveling Plate Event. Your support helps enable ESH to continue its mission to provide exceptional, individualized, family-centered services to empower the people we serve to achieve their goals and live independent, fulfilling lives year round.

The Traveling Plate is a contemporary extension of ESH's decades old tradition of connecting food and fun with awareness of our mission to empower people with disabilities and special needs. Your contribution directly impacts our programs that serve children and adults with conditions such as autism, muscular dystrophy, cerebral palsy, spina bifida, speech and developmental delays, Down syndrome, sensory impairments and other special needs. Your donation also helps our staff of 460 people statewide to enhance the quality of lives for roughly 2,300 individuals and their families we serve annually.

It is the generosity and support of community members like you, that will allow ESH to continue its mission for years to come. We are grateful for your thoughtful donation and truly appreciate your support!

Sincerely,

Shandis Ching
Development, Events Manager
