Aloha Michael,

On behalf of The Royal Hawaiian, a Luxury Collection Resort and our entire team of associates, I would like to extend our sincerest Mahalo for your tremendous support and sponsorship of The Royal Hawaiian 90th Anniversary Gala, a Benefit for The ALS Association in Hawaii.

Because of your generous Bartender Class for 10 guests to our silent auction, we met our fundraising goal. The proceeds raised from the silent auction will be reinvested to benefit Hawaii's ALS community. Your generous support will help provide the best clinical care and treatment. It also ensures that those living with ALS will continue to have access to professional care manager services and consultation, multidisciplinary ALS clinics, equipment loan pools, local support groups, ongoing state and federal advocacy initiatives, global ALS research and much more.

We are so very grateful for your donation. The ALS Association will be sending your company a separate letter detailing the receipt of your generous donation to the silent auction.

To learn more about ALS, please visit www.alsgoldenwest.org

To see photos from the 90th Anniversary gala, please visit us online at <http://www.royal-hawaiian.com/resort/90thanniversary/gallery>

Your donation item to our silent auction will make a significant difference in the lives of people living with ALS. On behalf of The Royal Hawaiian and The ALS Association in Hawaii we thank you again for your support, generosity and embracing our mission and vision to create a world without ALS.

With warm regards,

Cheryl Williams
