February 28, 2018

Aloha,

On behalf of the Hawai'i Agricultural Foundation (HAF), thank you for your participation in and generous support of the 2017 Localicious Hawaii campaign. With your contribution, we can continue our mission to expand Hawai'i's agricultural and farming industry through our K-12 ag programs in Hawai'i's public traditional and charter schools.

Launched in 2014, Localicious Hawaii has grown into the largest statewide restaurant initiative, with the 2018 campaign hosting more than 260 restaurants and retail stores. This annual campaign promotes the important role restaurants play in supporting local agriculture and has made a hallmark of recognizing eating establishments across the state that choose to source their ingredients locally. Your support of Hawai'i's farmers, ranchers and fishermen is celebrated with the enclosed Certificate of Recognition.

Mahalo for helping to make Localicious Hawaii in 2017 a statewide success,

Denise Hayashi Yamaguchi
Executive Director
