Aloha Ms. Mendoza,

On behalf of the Board of Directors, Staff, Volunteers, and Students of Junior Achievement of Hawaii, we thank you for your donation for our 2018 Junior Achievement Hawaii Business Hall of Fame Dinner featuring honored laureates: Connie Lau (President and CEO, Hawaiian Electric Industries), Anthology Marketing Group (with partners Dennis Christianson, Barbara Ankersmit, Mary Fastenau and Nathan Kam), and Sig Zane and Nalani Kanakaole (Sig Zane Designs).

Your gift certificate donation valued at \$50 helped us to raise over \$10,000 in our silent auction and will greatly assist Junior Achievement of Hawaii in reaching thousands of students during the 2017-2018 school year. *Please keep this letter for income tax purposes. Accordingly, your contribution may be tax-deductible as allowable by law. Please check with your tax advisor. Junior Achievement of Hawaii's FEIN is #99-0088861.*

Again, thank you for your generosity. With your support, we are able to fund numerous Junior Achievement programs into Hawaii's schools. Your contribution allows Junior Achievement of Hawaii to continue educating students to learn the key concepts of financial literacy, work readiness, and entrepreneurship to improve the quality of their lives. Last school year, nearly 8,000 students were able to participate in JA programs statewide. Your continued support of Junior Achievement of Hawaii is important in continuing to positively impact Hawaii's keiki, and we truly appreciate your donation.

Thank you for being a vital part of Junior Achievement of Hawaii's success!

Sincerely,

 *Mahalo!*
